

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
makes me feel like I
am living in an
authoritarian state
that controls and
manipulates the
populace through its
use of the media to
present only one
side of an argument.

Sinclair is a not
state-owned media,
but it is
corporatized media
that supports the
current CEO in the
white House. I live
in the USA- not USA,
Inc.
